TO WHOM IT MAY CONCERN

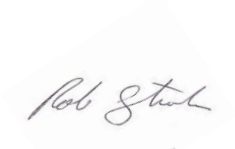

With this I would like to recommend and report regarding Alexander Leiar, a previous Gr 6 learner at Knysna Primary School. He has been a learner at our school since 2012.

He is a diligent worker with and excellent attitude towards his educators and his fellow learners. His ability to perform tasks and duties for educators are excellent. He is a leader amongst his peers and he will be an asset wherever he goes.

I can highly recommend him for any leadership opportunities and we were very sad to see him go.

My best wishes accompany him.

Yours truly

R.J.C Stoker
